Schnitzer Steel Industries is proud to be recognized as AMM's **Scrap Company of the Year** in their 9th Annual Awards for Steel Excellence. Our deepest thanks go to our employees for their dedication to excellence, which drives and sustains value for our company, customers, suppliers, shareholders and the communities in which we work.

Founded in 1906, Schnitzer Steel Industries is one of the largest manufacturers and exporters of recycled metal products in North America with operating facilities located in 23 states, Puerto Rico and Western Canada. Schnitzer has seven deep water export facilities located on both the East and West Coasts and in Hawaii and Puerto Rico. The Company's integrated operating platform also includes auto parts stores with approximately 5 million annual retail visits. The Company's steel manufacturing operations produce finished steel products, including rebar, wire rod and other specialty products. www.schnitzersteel.com
